

ANU INDONESIA PROJECT

Founded by Professor Heinz W. Arndt
In 1965

Arndt-Corden Department of Economics
Crawford School of Public Policy

Australian
National
University

WHO WE ARE

ANU Indonesia Project is a leading centre for research, policy development and graduate training in the Australia-Indonesia region. Since 1965 we have produced and disseminated high quality research on the economy and society of Indonesia.

OUR OBJECTIVE

is to contribute to stronger, research-based development policies in Indonesia through:

- Encouraging research on the Indonesian economy and society
- Disseminating research findings and conducting public dialogue
- Carrying out capacity building & establishing institutional networks in Indonesia and Australia.

OUR ACTIVITIES

Research & capacity building

- Staff research activities
- PhD student supervision
- Visiting Fellowship program
- Collaborative Research Grants
- Australian honours/masters Student Research Grants
- Prominent international academic program
- Short trainings

Dissemination of research findings

- Discussion: Indonesia Study Group (ISG) in Canberra & Forum Kajian Pembangunan in Indonesia
- Indonesia Update Conference & Book. Canberra, Sydney, Jakarta, other cities
- Bulletin of Indonesian Economic Studies (BIES)
- Public lectures, seminars: Sadli Lecture; Mubyarto Public Policy Forum; FKP Roadshow. Jakarta & various other cities in Indonesia
- High Level Policy Dialogue. Canberra & Jakarta
- Presentations: conferences, seminars and public lectures
- Publications: journal articles, opinion pieces and social media
